HOSPITAL RAJA PEREMPUAN ZAINAB II

Dear Sir / Madam,

STOCK SITUATION WITH ONE-ALPHA® INJECTION

With reference to the above, we would like to inform that LEO Pharma A/S is having stock supply issues with the One-Alpha® Injection due to Active Product Ingredient (API) issue in the produced batches. LEO Pharma A/S have already identified the root causes of the issue and are taking preventive steps to mitigate the problems.

Unfortunately this also means that DKSH Malaysia will not be able to supply One-Alpha® Injection in this next 2-3 months. We can only expect the supply to resume earliest by January 2019 (best case scenario) or till end of March 2019 / early April 2019 (worse case scenario).

We apologise for the inconveniences caused.

Thank you

Yours sincerely
