Dear Valued Customers

Iliadin® Infant Decongestant Nasal Drops- Temporary Out of Stocks

Thank you for continuously supporting Merck Consumer Health. As our esteemed and valued customer, we look forward to continuously serving you in the best possible way.

We regret to inform you that Iliadin® Infant Decongestant Nasal Drops 0.01% will be temporary out of stock due to manufacturing issue. We will keep you informed on updates of stock supply.

We apologize for the inconvenience caused in view of this matter. If you have any questions or concerns, please do not hesitate to get in touch with our sales representatives.

Thank you.

Yours faithfully
